PROGRAM OVERVIEW

Your child will be introduced to the sport of basketball and cheer or have their skills enhanced. Emphasis will be placed on basic fundamentals, team play, and good sportsmanship. Basketball fundamentals will include shooting, passing, dribbling, rebounding and defensive techniques. Cheer fundamentals will include a variety of motions, cheers, jumps, tumbling, stunting, stretching and more. Campers will be divided into small groups to provide a more individualized training. Organized team play and skill tournaments will allow campers to practice fundamentals in fun and healthy competitions.

To promote summer reading, we have implemented D.E.A.R (Drop Everything and Read). All children will be engaged in reading, story-time, focus groups and activities to keep kids reading all summer.
